THE PAVILION

Celebrate under the chandeliers

Our 40’ × 80’ pavilion is the heart of every reception. It seats 200 guests, holds 300 standing, and has a built-in dance floor, a dedicated bar area and a vendor entrance. Chandeliers, vintage-style Edison lighting and white sheer drapes make it warm, elegant and romantic.

Just beyond the pavilion, a lawn for outdoor games and a cozy fire pit with handcrafted wood furniture give your guests room to wander.
